### **About Us**

Sudhiranjan Lahiri Mahavidyalaya grew out of dream of a dedicated social worker and freedom fighter, Sudhiranjan Lahiri, who devoted all his tangible and intangible resources to the cause of higher education for the young in the locality. Of late, this institution has transformed into an ever-growing center in pursuit of excellence in higher education for the students far beyond its conventional hinterland. Excellence through Dedication is the mantra unceasingly enkindles the teaching faculty and the in house staff to perform their responsibilities for the benefit of the students. As this institution is located in the periphery with all its social and economic peripheral attributes, it usually imposes no choice in respect of admission. However, the peripheral students come out with marketable potentiality and higher human values in them. This is to be mentioned here that at this moment College provides lot of facilities for its students e.g. Games and sports, Cultural facilities with a dedicated cultural sub-committee, Boys and girls common rooms, well equipped library with automation facility etc. However still now no hostel facility is available in this College.
