

**Mega Seminar on "Tips and Tricks for Government Job Preparation" in collaboration with George School of Competitive Exam, George Telegraph, Krishnanagar held on 11.04.2025 (Friday).**

The Mega Seminar was organized with the primary aim of guiding students toward successful government job preparation. Recognizing the increasing competition and the need for structured preparation strategies, Sudhiranjan Lahiri Mahavidyalaya (SRLM), in collaboration with George School of Competitive Exam, George Telegraph, Krishnanagar, initiated this effort to equip students with effective techniques, resource management strategies, and motivational support.

The objectives were to:

Familiarize students with the latest patterns and trends in government examinations.

Share valuable tips and time management strategies for various competitive exams.

Offer expert advice on effective study planning, syllabus prioritization, and handling exam pressure.

Instill confidence and motivation among aspirants to pursue their goals with greater clarity and determination.

**Highlights of the Program:**

**Expert Sessions:** Experienced faculty members from George Telegraph, Krishnanagar, delivered insightful lectures, covering important aspects of exam preparation.

**Interactive Discussions:** Students engaged in Q&A sessions, clearing their doubts about exam patterns, study materials, and career options.

**Study Materials and Guidance:** Participants received information about recommended books, online resources, and preparation schedules.

**Career Counseling:** Alongside exam strategies, the seminar provided counseling to help students choose the right government sectors aligned with their interests and strengths.

**Motivational Inputs:** Speakers emphasized perseverance, positive mindset, and self-discipline as key elements for success.

**Benefits to the Students:**

**Enhanced Awareness:** Students became aware of various government job opportunities and their eligibility criteria.

**Practical Strategies:** Attendees learned how to organize their preparation and avoid common pitfalls during exam preparation.

**Confidence Building:** The seminar helped boost the morale of students by breaking down the preparation journey into manageable steps.

**Resource Access:** Students were guided on how to use authentic resources, mock tests, and previous year question papers effectively.

**Networking:** Interaction with professionals opened avenues for mentorship and future guidance.

**Conclusion:**

The Mega Seminar proved to be an enriching and empowering experience for the students of SRLM. It not only demystified the daunting process of government job preparation but also motivated aspirants to take proactive and informed steps toward their careers. The collaboration with George School of Competitive Exam, George Telegraph, Krishnanagar, added immense value to the initiative, making it a highly impactful event.

**OBJECTIVE:**To guide students in structured government job preparation with expert support and proven strategies.

**BENEFITS:**Boosts exam readiness with expert tips, builds confidence, offers career clarity, and connects students with valuable resources.

**NUMBER OF PARTICIPANTS:** 45
