

## Report on World Malaria Day Seminar

**Date:** 25th April 2025

**Organized by:** Institution's Innovation Council (IIC) & NSS Unit, Sudhiranjan Lahiri Mahavidyalaya (SRLM)

**Title:** *"Accelerating the Fight Against Malaria for a Healthier Tomorrow"*

**Resource Person:** Shri Soumen Pal, Assistant Professor and Head, Department of Philosophy, Asannagar Madan Mohan Tarkalankar College, Asannagar, Nadia

On the occasion of World Malaria Day, the Institution's Innovation Council in collaboration with the NSS Unit of SRLM organized a thought-provoking seminar on April 25, 2025. The event, titled *"Accelerating the Fight Against Malaria for a Healthier Tomorrow"*, was graced by Shri Soumen Pal, an esteemed academic and speaker, who served as the resource person for the session.

The program commenced with a solemn one-minute silence observed in memory of the innocent lives lost in the tragic Pahalgam incident that occurred on April 22, 2025. Prayers were offered for the grieving families, with heartfelt wishes for their strength and healing.

The seminar aimed to raise awareness about malaria, a persistent public health challenge in many parts of the world. Shri Pal emphasized the need for both innovative thinking and grassroots-level initiatives to control and eventually eliminate malaria. His talk highlighted the significance of community participation, early diagnosis, preventive measures, and government policies in eradicating the disease.

Faculty members and students actively participated in the discussion, reflecting on the roles they could play in health advocacy and awareness campaigns. The seminar not only deepened understanding of the disease but also inspired collaborative efforts toward a healthier and malaria-free society.

---

### Objective:

To inspire awareness and collective action among youth to combat malaria for a healthier future.

### Benefit:

Students gained insights on malaria prevention and were motivated to contribute to public health through awareness and innovation.

Number of participants: 45
