On the joyous occasion of **World Dance Day**, Sudhiranjan Lahiri Mahavidyalaya came alive with rhythm, grace, and cultural pride on **29th April 2025**. The celebration, themed “*নৃত্যের তালে তালে* / *In the Beat of Dance*”, was thoughtfully organized by the **Cultural Committee** and the **Institution's Innovation Council (IIC)**, bringing together students, teachers, and art enthusiasts under one vibrant roof.

The programme was elegantly hosted by **Ms. Priyanka Dutta**, faculty of the Department of English and an active member of the IIC. In her welcome address, she set the tone for the afternoon by reflecting on the global significance of dance as a medium of unity, storytelling, and self-expression.

The event opened with an evocative speech by **Dr. Sreelata Saha**, Coordinator of the Cultural Committee. Her words beautifully emphasized how music and dance transcend linguistic boundaries, preserving cultural identity while building bridges between hearts.

The soul of the celebration lay in the enchanting dance performances by five talented students — **Mousree, Soumi, Dipanwita, Sonia, and Reeti**. Their collective choreography explored **five emotional states of the human psyche**, conveyed through expressive movements and synchronized beats. With thoughtful narration by script readers **Ankita and Sutapa**, the audience was gently guided through the emotional journey.

From the exuberant mood of spring and nostalgic joys of the monsoon to the spiritual serenity of Lord Krishna and the righteous anger against gender-based violence — each performance was a poetic revelation. The final piece, a powerful protest dance, evoked deep reflection, leaving the audience both moved and inspired.

The programme concluded with a unifying **Mudra for All**, followed by a heartfelt **vote of thanks**. This event stood not only as a tribute to the beauty of dance but also as a celebration of cultural literacy, empowerment, and the college's motto — *Excellence through Dedication*.

Objective:

To celebrate dance as a universal language and promote creativity, expression, and cultural awareness.
